COMMISSION REGULATION (EEC) No 2224/82

of 6 August 1982

on arrangements for imports into Denmark, the Federal Republic of Germany, Greece, Ireland and the United Kingdom of certain textile products originating in the People's Republic of China

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3061/79 of 20 December 1979 on common rules for imports of certain textile products originating in China [1], as last amended by Regulation (EEC) No 2007/82 [2], and in particular Article 11 (4) and (5) thereof,

Whereas Article 11 of Regulation (EEC) No 3061/79 lays down the conditions under which quantitative limits may be established;

Whereas Commission Regulations (EEC) No 3664/81 [3], (EEC) No 341/82 [4] and (EEC) No 534/82 [5] set provisional quantitative limits on imports into certain Community regions, of certain textile products of Chinese origin pending the result of the consultations in progress;

Whereas on 22 and 23 March 1982 consultations yielded a mutually acceptable result and it is therefore necessary to set the final quantitative limits for certain products for the years 1982 and 1983 and to cancel the provisional quantitative limits;

Whereas the quantities of the products in question exported from China between 1 January 1982 and the date of entry into force of this Regulation must be set off against the quantitative limits which have been introduced for 1982;

Whereas these quantitative limits do not prevent the importation of products covered by them but shipped from China before the date of entry into force of this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Textiles Committee,

HAS ADOPTED THIS REGULATION:

Article 1

The importation into Denmark, the Federal Republic of Germany, Greece, Ireland and the United Kingdom of the product-categories originating in China and specified in the Annex hereto shall be subject to the quantitative limits given in that Annex and to the provisions of Article 2.

Products as referred to in Article 1, shipped from China into Denmark, the Federal Republic of Germany, Greece, Ireland and the United Kingdom before the date of entry into force of this Regulation and not yet released for free circulation, shall be so released subject to the presentation of a shipment certificate proving that shipment actually took place before that date.

2. All quantities of products shipped from China on or after 1 January 1982 and released for free circulation shall be deducted from the quantitative limits laid down. These quantitative limits shall not, however, prevent the importation of products covered by them but shipped from China before the date of entry into force of this Regulation.

3. The imports of products exported from China to Denmark, the Federal Republic of Germany, Greece, Ireland and the United Kingdom from the date of entry into force of this Regulation are subject to the double-checking system established by Article 1 of Annex V to Regulation (EEC) No 3061/79.

Article 3

Regulation (EEC) No 534/82 is hereby repealed. Regulation (EEC) No 3664/81 shall no longer apply to Denmark. Category 21 of the Annex to Regulation (EEC) No 341/82 is hereby deleted.
