COMMISSION REGULATION (EEC) No 261/82

of 2 February 1982

on arrangements for imports into the Community of certain textile products originating in Korea

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3059/78 of 21 December 1978 on common rules for imports of certain textile products originating in third countries [1], in its present form, and in particular Articles 11 and 15 thereof,

Whereas Article 11 of Regulation (EEC) No 3059/78 lays down the conditions on which quantitative limitations may be established; whereas imports into the Community of dresses (category 26) and Benelux of swimwear (category 79), originating in Korea, have exceeded the level referred to in Article 11 (3);

Whereas, in accordance with Article 11 (5), Korea was notified of a request for consultations; whereas, following these consultations it is desirable to make the products in question subject to quantitative limitation for the year 1982;

Whereas the imports of dresses (category 26) into Benelux and Denmark are already the subject of quantitative limits [2];

Whereas Article 11 (13) ensures that the quantitative limit is observed by means of a double-checking system in accordance with Annex V to the aforesaid Regulation;

Whereas the products in question exported from Korea between 1 January 1982 and the date of entry into force of this Regulation must be set off against the quantitative limit for 1982;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Textiles Committee,

HAS ADOPTED THIS REGULATION:

Article 1

2. Imports of products shipped from Korea to the Community after the entry into force of this Regulation shall be subject to the double-checking system described in Annex V to Regulation (EEC) No 3059/78.
