of 3 February 1982

establishing the arrangements applicable to imports of products originating in Yugoslavia to take account of the accession of the Hellenic Republic to the Community

Whereas an Additional Protocol to the Cooperation Agreement between the European Economic Community and the Socialist Federal Republic of Yugoslavia consequent on the accession of the Hellenic Republic to the Community, hereinafter referred to as 'the Protocol' and 'the Agreement' respectively, was initialled on 15 January 1982;

Whereas, pending the entry into force of the Agreement, an Interim Agreement between the European Economic Community and the Socialist Federal Republic of Yugoslavia on trade and trade cooperation (1), hereinafter called 'the Interim Agreement', entered into force on 1 July 1980;

Whereas pending the entry into force of the Protocol and in light of the latter, the Community should establish unilaterally the arrangements applicable to imports of products originating in Yugoslavia consequent on the accession of the Hellenic Republic to the Community, without prejudice to the provisions of Council Regulation (EEC) No 3349/81 of 24 November 1981 providing for a reduction in the levy applicable to imports into the Community of certain beef and veal products originating in and coming from Yugoslavia (2),

HAS ADOPTED THIS REGULATION:

ANNEX

Special conditions for implementing the Interim Agreement and the Agreement between the European Economic Community and the Socialist Federal Republic of Yugoslavia to take account of the accession of the Hellenic Republic

Article 1

1. The monthly volume specified in Article 11 (2) (e) of the Interim Agreement and Article 24 (2) (e) of the Agreement shall be increased to 4 200 tonnes.

2. Should the volume referred to in paragraph 1 not be wholly taken up in any given month, the unused portion may be carried over to the following month only, subject to a maximum of 1 200 tonnes.

3. However, quantities not exported from 1 January to 31 May may be carried over to the period 1 June to 30 September, subject to a maximum of 6 000 tonnes.

The monthly export volume for the latter period may not exceed 6 300 tonnes.

Article 2

1. For the products referred to in Annex 1, the volume of the annual ceilings applied by the Community to products originating in Yugoslavia, in accordance with the provisions of Protocol 1 to the Interim Agreement and the Agreement respectively, shall be increased. The volume of the annual ceilings for 1982 for the products in question is laid down in Annex 1.

2. Under the Community ceilings established for the products listed in Annex 2, the Hellenic Republic shall apply customs duties calculated in accordance with Article 3.

3. If, during the period of application of the transitional measures, customs duties applicable to third countries are reintroduced by the Community in respect of imports of products listed in Annex 2, the Hellenic Republic shall reintroduce the customs duties applicable to third countries in respect of the same products on the date in question.

Article 3

For the products originating in Yugoslavia listed in Annex 2, the Hellenic Republic shall progressively align customs duties on those resulting from the application of the Interim Agreement and the Agreement respectively, in accordance with the following timetable.

On the date of entry into force of this Regulation, the Hellenic Republic shall apply a duty reducing by 20 % the difference between the basic duty and the duty resulting from the application of the Interim Agreement and the Agreement respectively.

This difference shall be further reduced by 20 % each time on 1 January 1983, 1 January 1984 and 1 January 1985.

From 1 January 1986, the Hellenic Republic shall apply in full to the products covered by this Article the customs duties resulting from application of the Interim Agreement and the Agreement respectively.

Article 4

1. For the products listed in Annex 2, the basic duty to which the successive reductions provided for in Article 3 are to be applied shall, for each product, be the duty actually applied by the Hellenic Republic in respect of Yugoslavia on 1 July 1980.

2. However, in respect of matches falling within heading No 36.06 of the Common Customs Tariff, the basic duty shall be 17·2 % *ad valorem*.

Article 5

1. For the products listed in Annex 2, the Hellenic Republic shall progressively abolish charges having equivalent effect to customs duties on products originating in Yugoslavia in accordance with the following timetable:

— on the date of entry into force of this Regulation, each charge shall be reduced to 80 % of the basic rate,

— the four other reductions of 20 % each shall be made on:

  — 1 January 1983,

— 1 January 1984,

— 1 January 1985,

— 1 January 1986.

2. The basic rate to which the successive reductions provided for in paragraph 1 are to be applied shall, for each product, be the rate applied by the Hellenic Republic on 31 December 1980 in respect of the Community of Nine.

3. Any charge having equivalent effect to a customs duty on imports, introduced as from 1 January 1979 in trade between the Hellenic Republic and Yugoslavia, shall be abolished.

Article 6

If the Hellenic Republic suspends or reduces customs duties or charges having equivalent effect on products imported from the Community of Nine more quickly than under the established timetable, the Hellenic Republic shall also suspend or reduce, by the same percentage, those duties or charges having equivalent effect on products originating in Yugoslavia.

Article 7

1. The variable component which the Hellenic Republic may apply to the products covered by Council Regulation (EEC) No 3033/80 of 11 November 1980 laying down the trade arrangements applicable to certain goods resulting from the processing of agricultural products (1), originating in Yugoslavia, shall be adjusted by the compensatory amount applied in trade between the Community of Nine and Greece.

2. For the products covered by Regulation (EEC) No 3033/80, which are also listed in Annex 2 to this Regulation, the Hellenic Republic shall abolish, in accordance with the timetable laid down in Article 5, the difference between:

— the fixed component of the duty to be applied by the Hellenic Republic upon accession, and

— the duty (other than the variable component) resulting from the provisions of the Agrrement.

Article 8

For the products listed in Annex II to the Treaty, the preferential rates laid down or calculated shall be applied to the duties actually levied by the Hellenic Republic on imports from third countries as provided for in Article 64 of the 1979 Act of Accession.

Under no circumstances shall Greek imports from Yugoslavia benefit from rates of duty more favourable than those applied to products from the Community of Nine.

Article 9

1. The Hellenic Republic may retain quantitative restrictions until 31 December 1985 on the products listed in Annex 3, originating in Yugoslavia.

2. The restrictions referred to in paragraph 1 shall take the form of quotas. The quotas for 1982 are given in Annex 3.

3. The minimum rate of progressive increase for these quotas shall be 25 % at the beginning of each year for quotas expressed in value and 20 % at the beginning of each year for quotas expressed in terms of volume. Such increases shall be added to each quota and the next increase calculated on the basis of the total thus obtained.

Where a quota is expressed in terms of both volume and value, the quota relating to volume shall be raised by at least 20 % a year and the quota relating to value by at least 25 % a year, the succeeding quotas to be calculated each year on the basis of the preceding quota plus the increase.

However, with regard to motor coaches and buses and other vehicles falling within subheading ex 87.02 A I of the Common Customs Tariff, the quota shall be raised by 20 % a year.

4. Where it is found that imports into Greece of a product listed in Annex 3 have for two consecutive years been less than 90 % of the quota, the Hellenic Republic shall liberalize imports of that product originating in Yugoslavia if the product in question is at that time liberalized in respect of the Community of Nine.

5. If the Hellenic Republic liberalizes imports of a product listed in Annex 3 coming from the Community of Nine or increases a quota beyond the minimum rate applicable to the Community of Nine, the Hellenic Republic shall also liberalize imports of that product originating in Yugoslavia or increase the quota proportionally.

(1) OJ No L 323, 29. 11. 1980, p. 1.

6. Regarding licences for imports of products listed in Annex 3 and originating in Yugoslavia, the Hellenic Republic shall apply the same administrative rules and practices as applied to such imports originating in the Community of Nine with the exception of the quota for fertilizers falling within heading Nos 31.02 and 31.03 and subheadings 31.05 A I, II and IV of the Common Customs Tariff, where the Hellenic Republic may apply the rules and practices relevant to exclusive marketing rights.

Article 10

1. The rate of import deposits and cash payments in force in Greece on 31 December 1980 with regard to imports of products originating in Yugoslavia shall be progressively eliminated in accordance with the following timetable:

— from the entry into force of this Regulation: 50 %,

— 1 January 1983: 25 %,

— 1 January 1984: 25 %.

2. For the products listed in Annex II to the Treaty, charges having equivalent effect to customs duties and measures having equivalent effect to quantitative restrictions (import deposits, cash payments, validation of invoices, etc.) shall be abolished by the Hellenic Republic as from 1 January 1981 in respect of products originating in Yugoslavia in accordance with Article 65 of the 1979 Act of Accession.

3. If, in respect of the Community of Nine, the Hellenic Republic reduces the rate of import deposits or cash payments more quickly than under the timetable set out in paragraph 1, the Hellenic Republic shall make the same reduction with regard to imports of products originating in Yugoslavia.

Article 11

1. The Hellenic Republic may apply ceilings under 31 December 1985 in respect of the products listed in Annex 4, originating in Yugoslavia.

The ceilings laid down for 1982 are also shown in Annex 4.

2. From 1 January 1983, the ceilings shall be increased annually by at least 5 %.

3. If for two consecutive years imports of a product which is subject to a ceiling have been less than 90 % of the amount laid down, the Hellenic Republic shall suspend application of this ceiling.

4. When a ceiling laid down for imports of a product has been reached, the Hellenic Republic may reimpose the duty on imports of the product in question until the end of the calendar year. The duty to be reimposed shall be that of the Greek customs tariff aligned on the Common Customs Tariff.

5. The ceilings shall be abolished on 1 January 1986.
