Having regard to Council Regulation (EEC) No 3601/81 of 7 December 1981 applying generalized tariff preferences for 1982 in respect of certain industrial products originating in developing countries [1], and in particular Article 12 thereof,

Whereas, in pursuance of Articles 1 and 9 of that Regulation, suspension of customs duties shall be accorded to each of the countries or territories listed in Annex C, other than those listed in column 4 of Annex A, within the framework of the preferential tariff ceiling fixed in column 9 of Annex A;

Whereas, as provided for in Article 10 of that Regulation, as soon as the individual ceilings in question are reached at Community level, the levying of customs duties on imports of the products in question originating in each of the countries and territories concerned may at any time be re-established;

Whereas, in the case of titanium oxides falling within heading No 28.25, the individual ceiling was fixed at 447 700 ECU; whereas, on 28 October 1982, imports of these products into the Community originating in China reached that ceiling; whereas the customs duties in respect of the products in question must therefore be re-established against China,
