COUNCIL REGULATION (EEC) No 3100/82

of 8 November 1982

opening, allocating and providing for the administration of a Community tariff quota for dried grapes in immediate containers of a net capacity of 15 kilograms or less, falling within subheading 08.04 B I of the Common Customs Tariff (1983)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 28 thereof,

Having regard to the draft Regulation submitted by the Commission,

Whereas a Community tariff quota for dried grapes in immediate containers of a net capacity of 15 kilograms or less, falling within subheading 08.04 B I of the Common Customs Tariff, should be opened for 1983 at a duty of 2 %, the volume of which shall be limited to 5 000 tonnes, taking into account the existence of Community production;

Whereas, in view of the negligible size of such a quota in comparison with the Community's requirements, a system of utilization should, without derogating from the Community nature of the tariff quota, be provided, based on a single allocation between the Member States; whereas this allocation may be calculated *pro rata* on the basis of the import requirements, of each Member State, coming from third countries not associated with or linked to the Community by a preferential agreement; whereas, in order to safeguard the Community nature of the quota, a share should be allocated to Greece by levying the same quantity on the volume of the quota; whereas, calculated in such a manner, this allocation is as set out in Article 2;

Whereas, since the Kingdom of Belgium, the Kingdom of the Netherlands and the Grand Duchy of Luxembourg are united within and jointly represented by the Benelux Economic Union, any measure concerning the administration of the quotas allocated to that economic union may be carried out by any one of its members,

HAS ADOPTED THIS REGULATION:
