COUNCIL REGULATION (EEC) No 3460/82

of 21 December 1982

making the importation into Greece of certain jute products originating in Bangladesh or India subject to quantitative limitation

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas Agreements on trade in jute products have been negotiated between the Community on the one hand and Bangladesh and India on the other, providing for voluntary restraint of exports of certain of these products to the Community;

Whereas by Regulation (EEC) No 541/82 [1], the Council made the importation into Greece of certain jute products originating in Bangladesh or India subject to quantitative limitation so as to align the rules for imports into that Member State as closely as possible on those applying in the other Member States of the Community; whereas these arrangements were introduced pending the outcome of the current negotiations with Bangladesh and India to adapt the said Agreements to take account of the accession of the Hellenic Republic to the Community;

Whereas, since these negotiations have not yet been concluded, it proves necessary to maintain, as a transitional measure, pending their conclusion, the rules in force for Greece in 1982, with an increase in the level of quantitative limits on imports,

HAS ADOPTED THIS REGULATION:

Article 1

From 1 January to 31 December 1983 imports into Greece of the jute products listed in the Annex and originating in Bangladesh or India shall be subject to this Regulation.

Article 2

Imports into Greece of the jute products listed in the Annex shall be subject to an import authorization to be issued by the Greek authorities up to the quantitative limits indicated in the Annex.

Article 3

Products admitted into Greece under inward processing or other suspensory arrangements shall not, provided that they are declared under such arrangements to be for re-export from that territory to a third country in their original state or after processing, be set off against the quantitative limits referred to in Article 2.

Article 4

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 21 December 1982.

For the Council

The President

O. MØLLER
