# COMMISSION REGULATION (EEC) No 3509/82

## of 23 December 1982

## fixing the standard values to be used in calculating the financial compensation and the advance pertaining thereto in respect of fishery products withdrawn from the market during the period 1 January to 31 December 1983

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3796/81 of 29 December 1981 on the common organization of the market in fishery products [1], and in particular Article 13 (7) thereof,

Whereas Article 13 of Regulation (EEC) No 3796/81 provides for the payment of financial compensation to producers' organizations which intervene, on certain conditions, in respect of the products listed in Annex I (A) and (D) to that Regulation ; whereas the amount of such financial compensation must be reduced by standard values in the case of products intended for purposes other than human consumption ;

Whereas Commission Regulation (EEC) No 697/71 [2] specifies the ways in which the products withdrawn must be disposed of ; whereas the value of such products must be fixed at a standard level for each of these modes of disposal, taking into account the average receipts which may be obtained from such disposal ;

Whereas, on the basis of the relevant information on this value, it should be fixed for the period 1 January to 31 December 1983 as shown in the Annex hereto ;

Whereas, pursuant to Article 9 of Commission Regulation (EEC) No 3137/82 [3], the body responsible for payment of the financial compensation is that of the Member State in which the producers' organization was recognized ; whereas the standard value deductible should therefore be the value applied in that Member State ;

Whereas the abovementioned provisions are equally applicable to the advance on the financial compensation provided for in Article 5 (2) of Council Regulation (EEC) No 2202/82 [4] ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fishery Products,
