# COMMISSION REGULATION (EEC) No 414/82

## of 23 February 1982

## on the sale at prices fixed at a standard rate in advance of certain beef from intervention stocks for processing in the Community

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal (1), as last amended by the Act of Accession of Greece, and in particular Article 7 (3) thereof,

Whereas the application of intervention measures in respect of beef has created large stocks in certain Member States;

Whereas, in the present market situation, there are outlets for such meat for processing in the Community;

Whereas such sales should be made subject to the rules laid down by Commission Regulation (EEC) No 2173/79 (2), should also be governed by the rules laid down by Commission Regulation (EEC) No 1687/76 (3), as last amended by Regulation (EEC) No 1252/81 (4), and by those laid down by Commission Regulation (EEC) No 2182/77 (5), as last amended by Regulation (EEC) No 142/82 (6), subject to certain special exceptions on account of the particular use to which the products in question are to be put;

Whereas Regulation (EEC) No 2182/77 requires, in Article 4 (1), purchasers to provide, before conclusion of the contract of sale, a security to guarantee that the products will be processed; whereas experience has shown the need to lay down a time limit for provision of that security to prevent operators delaying the conclusion of contracts of sale;

Whereas Council Regulation (EEC) No 1055/77 (7) provides that, in the case of products stored by an intervention agency outside the territory of the Member State within whose jurisdiction it falls, a different selling price from that for products stored on that territory may be fixed; whereas Commission Regulation (EEC) No 1805/77 (8) fixed the method for calculating the selling prices for such products; whereas, to avoid all confusion, it should be expressly stated that the prices fixed by this Regulation are subject to adjustment in the case of those products;

Whereas it seems appropriate to waive the second subparagraph of Article 2 (2) of Regulation (EEC) No 2173/79 taking into account the administrative difficulties which the application of this rule raises in certain Member States;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

*Article 1*
