COMMISSION REGULATION (EEC) No 53/82

of 11 January 1982

fixing the prices to be used for calculating the value of agricultural products in intervention storage on 31 December 1981 to be carried forward to the 1982 financial year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1883/78 of 2 August 1978 laying down general rules for the financing of interventions by the European Agricultural Guidance and Guarantee Fund, Guarantee Section (1), as last amended by Regulation (EEC) No 1303/81 (2), and in particular Article 8 thereof,

Whereas it is specified in the first paragraph of Article 8 of Regulation (EEC) No 1883/78 that prices shall be determined for calculating the value of the agricultural products in intervention storage at the end of a financial year to be carried forward to the next financial year; whereas these products are generally valued at their purchase price; whereas these prices should therefore be based on the actual purchase prices paid by the intervention agencies during a reference period stretching from 1 January 1981 to the latest month for which the figures are known, including quantities carried over from 1980 and entered in the accounts on 1 January 1981, at their carry-over prices;

Whereas, under Commission Regulation (EEC) No 3563/81 (3), a quantity of intervention beef has been made available free of charge for delivery to Poland; whereas in so far as this quantity has not physically been taken over by the purchaser, the selling price to be used should be the price shown in the said Regulation;

Whereas it is provided in the second paragraph of Article 8 of Regulation (EEC) No 1883/78 that the prices of intervention stocks to be carried forward may be replaced by another price in cases where the estimated price on leaving intervention is substantially lower than their value; whereas this situation exists for skimmed-milk powder, tobacco and barley;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the EAGGF Committee;

HAS ADOPTED THIS REGULATION:

Article 1

The prices to be used for calculating the value of agricultural products in intervention storage on 31 December 1981 to be carried forward to the 1982 financial year are set out in the Annex.

However, for intervention products destined for Poland and made available in December 1981 under the terms of Commission Regulation (EEC) No 3563/81 which had still not been physically taken over by the purchaser on 31 December 1981, the price referred to in the first paragraph shall be replaced by the selling price as mentioned in the said Regulation.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.
