of 1 June 1983
amending for the sixth time Regulation (EEC) No 2192/82 laying down detailed rules for the application of the special measures for peas and field beans

Having regard to Council Regulation (EEC) No 1431/82 of 18 May 1982 laying down special measures for peas and field beans (1), as amended by Regulation (EEC) No 1225/83 (2), and in particular Article 3 (7) thereof,

Whereas Article 8 of Commission Regulation (EEC) No 2192/82 (3), as last amended by Regulation (EEC) No 576/83 (4), provides for the preparation of a Community certificate by 30 June 1983 at the latest; whereas, in the interests of sound administration, a final date should be fixed prior to which national certificates issued would remain valid and provision should be made that, up to that date, such certificates could be replaced by Community certificates;

Whereas the introduction of a Community certificate requires the adoption of common provisions on the drawing up and use of these certificates, on the introduction of Community forms and on the establishment of methods of administrative cooperation between the Member States and the Commission;
