COMMISSION REGULATION (EEC) No 1403/83

of 1 June 1983

applying in the Kingdom of the Netherlands a special intervention measure for common wheat of bread-making quality at the end of the 1982/83 marketing year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals (1), as last amended by Regulation (EEC) No 1451/82 (2), and in particular the first subparagraph of Article 8 (4) thereof,

Whereas there is some concern about the market in common wheat of bread-making quality in the Kingdom of the Netherlands at the end of the marketing year; whereas, in accordance with the provisions of Article 8 of Regulation (EEC) No 2727/75, special intervention measures should therefore be applied in the said country at the end of the 1982/83 marketing year in the form of purchases of common wheat of minimum bread-making quality; whereas such purchases should be limited to the quantities required to provide support for the market in common wheat of bread-making quality at the minimum-quality price level;

Whereas the conditions set out in Articles 1 and 2 of Council Regulation (EEC) No 2738/75 of 29 October 1975 laying down general rules for intervention on the market in cereals (3) should apply to such purchases;

Whereas, for determination of minimum bread-making quality, reference should be made to the provisions of Commission Regulation (EEC) No 2062/81 of 15 July 1981 laying down the method for determining the minimum bread-making quality of common wheat (4) and to Commission Regulation (EEC) No 1629/77 of 20 July 1977 laying down detailed rules of application for special intervention measures to support the development of the market in common wheat of bread-making quality (5), as last amended by Regulation (EEC) No 1837/82 (6);

Whereas the conditions laid down in Regulation (EEC) No 1629/77 will, be satisfied at the end of the 1982/83 marketing year;

Whereas the proposed measure is designed to support the market in common wheat at the reference-price level for the marketing year in question; whereas that price is the subject of nine monthly increments, the first such increment occurring on 1 September; whereas, in order to ensure the effectiveness of this measure and prevent the quantities concerned from being delivered during the 1983/84 marketing year, a flat-rate daily subsidy should be paid in respect of the actual storage of the grain in June 1983;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

1. In accordance with Articles 4 (3) and 5 of Regulation (EEC) No 1629/77 the Dutch intervention agency shall purchase, within the limits laid down in paragraph 2, the quantity of common wheat of minimum bread-making quality, as defined in Regulation (EEC) No 2062/81, offered to it during June 1983.

2. The quantity of common wheat of bread-making quality eligible for buying in under this Regulation shall be limited to 50 000 tonnes.

3. The price payable shall be the reference price for the 1982/83 marketing year, plus nine monthly increments, less 10,40 ECU per tonne.
