COMMISSION REGULATION (EEC) No 1498/83
of 9 June 1983
amending Regulation (EEC) No 3509/82 fixing the standard values to be used in calculating the financial compensation and the advance pertaining thereto in respect of fishery products withdrawn from the market during the period 1 January to 31 December 1983

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3796/81 of 29 December 1981 on the common organization of the market in fishery products (1), and in particular Article 13 (7) thereof,

Whereas Article 13 of Regulation (EEC) No 3796/81 provides for the payment of financial compensation to producers' organizations which intervene, on certain conditions, in respect of the products listed in Annex I (A) and (D) to that Regulation ; whereas the amount of such financial compensation must be reduced by standard values in the case of products intended for purposes other than human consumption ;

Whereas Commission Regulation (EEC) No 3509/82 (2) fixed the abovementioned standard values for the period 1 January to 31 December 1983 for each mode of disposal ;

Whereas, as a result of a error in the data communicated to the Commission, which served as a basis for determining the standard values of products withdrawn from the French market, the said values are not the values actually applied on that market ; whereas that error should therefore be corrected ;

Whereas some producers' organizations, acting in good faith, may have deducted from applications for advances on financial compensation a standard value lower than the amount which should have been applied ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fishery Products,

HAS ADOPTED THIS REGULATION :

Article 1

The Annex to Regulation (EEC) No 3509/82 is hereby replaced by the Annex hereto.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities.*

Upon application by producers' organizations, it shall apply with effect from 1 January 1983.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
