COMMISSION REGULATION (EEC) No 1542/83

of 14 June 1983

amending Regulation (EEC) No 1245/83 as regards certain monetary compensatory amounts and coefficients for milk products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 974/71 of 12 May 1971 on certain measures of conjunctural policy to be taken in agriculture following the temporary widening of the margin of fluctuation for the currencies of certain Member States (1), as last amended by Regulation (EEC) No 3439/82 (2), and in particular Article 6 thereof,

Whereas the monetary compensatory amounts introduced by Regulation (EEC) No 974/71 were fixed by Commission Regulation (EEC) No 1245/83 (3), as last amended by Regulation (EEC) No 1513/83 (4);

Whereas in Parts 1 and 5 of Annex I to Regulation (EEC) No 1245/83 certain amounts and coefficients were fixed in order to take account of the fact that the prices for skimmed-milk powder and butter may be lower than the intervention price as a result of aid granted or sales at a reduced price for special uses; whereas the level of the intervention prices was raised by Council Regulation (EEC) No 1205/83 (5) and the aid amounts and selling prices have also been altered; whereas it is therefore necessary to adjust the compensatory amounts and the coefficients applying to them;

Whereas the measures provided for in this Regulation are in accordance with the opinions of the relevant management committees,

HAS ADOPTED THIS REGULATION:

Article 1
