COUNCIL REGULATION (EEC) No 178/83

of 25 January 1983

laying down certain interim measures for the conservation and management of fishery resources applicable to vessels flying the flag of Norway

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Fisheries Agreement between the European Economic Community and the Kingdom of Norway (1), and in particular Article 2 thereof,

Having regard to the proposal from the Commission,

Whereas it was not possible to adopt before 31 December 1982 definitive rules for fishing by Norwegian vessels in the Community fisheries zone in accordance with the conclusions of the consultations which took place;

Whereas, in order to avoid a too long interruption of reciprocal fishing by vessels of the two parties in the fisheries zone of the other, the two parties have agreed on reciprocal interim arrangements; whereas it is, therefore, necessary that the Community adopt immediately interim rules authorizing fishing by Norwegian vessels in the Community fisheries zone until 30 April 1983;

Whereas, consequently, this measure should be adopted on a temporary basis, subject to its later inclusion in a definitive system to be adopted under Article 43 of the Treaty;

Whereas the Agreement of 19 December 1966 between Denmark, Norway and Sweden on mutual access to fishing in Skagerrak and Kattegat provides that each party shall grant access to fishing by vessels of the other parties within its fishing zone in Skagerrak and part of Kattegat seawards of four nautical miles from the baselines;

Whereas the Fishery Agreement of 1964 between the United Kingdom and Norway provides that Norwegian vessels are authorized to fish for dogfish and basking shark in certain areas between six and 12 nautical miles from the baselines of the United Kingdom,
