COUNCIL REGULATION (EEC) No 1905/83

of 11 July 1983

amending Regulation (EEC) No 2766/75 establishing the list of products for which sluice-gate prices are to be fixed and laying down the rules for fixing the sluice-gate prices for pig carcases

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2759/75 of 29 October 1975 on the common organization of the market in pigmeat (1), as last amended by Regulation (EEC) No 2966/80 (2), and in particular Article 12 (4) thereof,

Having regard to the proposal from the Commission,

Whereas Article 12 of Regulation (EEC) No 2759/75 provides that sluice-gate prices are to be fixed only for certain of the products other than pig carcases referred to in Article 1 of that Regulation ; whereas the list of these products was established by Regulation (EEC) No 2766/75 (3), as last amended by Regulation (EEC) No 219/83 (4) ;

Whereas Article 13 of Regulation (EEC) No 2759/75 set up a system of 'pilot products and derived products' for the products covered by that Regulation but not included on the abovementioned list ; whereas the practical application of this system has nonetheless given rise to a number of problems ;

Whereas the degree of stability in the market prices of certain products hitherto subject to the system of pilot and derived products has proved to be greater than originally expected ; whereas this stability means that they can be included on the list of products for which sluice-gate prices are fixed,

HAS ADOPTED THIS REGULATION :

Article 1

The Annex to Regulation (EEC) No 2766/75 is hereby replaced by the Annex hereto.

Article 2

This Regulation shall enter into force on 1 August 1983.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 11 July 1983.

For the Council

The President
