COMMISSION REGULATION (EEC) No 2161/83

of 29 July 1983

amending for the second time Regulation (EEC) No 3509/82 fixing the standard values to be used in calculating the financial compensation and the advance pertaining thereto in respect of fishery products withdrawn from the market during the period 1 January to 31 December 1983

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3796/81 of 29 December 1981 on the common organization of the market in fishery products (1), and in particular Article 13 (7) thereof,

Whereas Article 13 of Regulation (EEC) No 3796/81 provides for the payment of financial compensation to producers' organizations which intervene, on certain conditions, in respect of the products listed in Annex I (A) and (D) to that Regulation ; whereas the amount of such financial compensation must be reduced by standard values in the case of products intended for purposes other than human consumption ; whereas Commission Regulation (EEC) No 3509/82 of 23 December 1982 (2), as last amended by Regulation (EEC) No 1498/83 (3), fixed the abovementioned standard values for each mode of disposal for the period 1 January to 31 December 1983 ;

Whereas substantial long-term price changes have been recorded on the Danish market for shrimps of the species Crangon crangon ; whereas the level of the standard value applicable to that species must therefore be adjusted on that market ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fishery Products,

HAS ADOPTED THIS REGULATION :
