COMMISSION REGULATION (EEC) No 2363/83

of 19 August 1983

fixing the components used to calculate the differential amounts for colza, rape and sunflower seed

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats [1], as last amended by Regulation (EEC) No 1413/82 [2],

Having regard to Council Regulation (EEC) No 1223/83 of 20 May 1983 on the exchange rates to be applied in agriculture [3], as last amended by Regulation (EEC) No 1877/83 [4],

Having regard to Council Regulation (EEC) No 1569/72 of 20 July 1972 laying down special measures for colza, rape and sunflower seed [5], as last amended by Regulation (EEC) No 2027/83 [6], and in particular Article 2 (2) thereof,

Whereas Article 2 (1) (a) of Regulation (EEC) No 1569/72 provides that the differential amounts for those Member States which keep their exchange rates at any given moment within a band of 2,25 % must be determined by taking into account the incidence on prices of the percentage difference between :

— the conversion rate used for the purposes of the common agricultural policy, and

— the conversion rate resulting from the central rate ;

Whereas this leads to the fixing of differential amounts which remain constant as long as the information used to calculate them remains unchanged ;

Whereas under Article 2 (1) (b) of the aforementioned Regulation the differential amounts for Italy, the United Kingdom and Greece are to be determined by taking into account the incidence on the price of the average percentage difference between ;

— the ratio between the conversion rate used for purposes of the common agricultural policy for the currency of the relevant Member State and the actual parity of each of the currencies of the Member States which keep their exchange rates at any given moment within a band of 2,25 %, and

— the spot market rate recorded over a given period for the currency of the relevant Member State against each of the currencies of the Member States specified above ;

Whereas pursuant to Article 2 (2) of Regulation (EEC) No 1569/72 forward differential amounts are to be determined where the forward exchange rate for one or more currencies differs from the spot rate by at least a given percentage ; whereas this percentage has been fixed at 2,5 by Regulation (EEC) No 2300/73 [7], as last amended by Regulation (EEC) No 2258/83 [8] ;

Whereas where, for one or more months, forward exchange rates are not available, the rate adopted for the previous month or the following month, as the case may be, is to be used ;

Whereas the components used to calculate the differential amounts were fixed by Regulation (EEC) No 2169/83 [9], as last amended by Regulation (EEC) No 2254/83 [10] ;

Whereas, as regards the pound sterling, the Italian lira and the Greek drachma, calculation of the differential amounts should be on the basis of the rates during the reference period from 10 to 16 August 1983 ;

Whereas for the Greek drachma the difference referred to in Article 2 (1) of Regulation (EEC) No 1569/72 differs by more than one point from the percentage adopted for the previous fixing ;

(1) OJ No 172, 30. 9. 1966, p. 3025/66.
(2) OJ No L 162, 12. 6. 1982, p. 6.
(3) OJ No L 132, 21. 5. 1983, p. 33.
(4) OJ No L 186, 9. 7. 1983, p. 24.
(5) OJ No L 167, 25. 7. 1972, p. 9.
(6) OJ No L 199, 22. 7. 1983, p. 14.
(7) OJ No L 236, 24. 8. 1973, p. 28.
(8) OJ No L 216, 6. 8. 1983, p. 18.
(9) OJ No L 206, 30. 7. 1983, p. 83.
(10) OJ No L 216, 6. 8. 1983, p. 6.

Whereas for certain currencies the difference referred to in Article 2 (2) of the abovementioned Regulation exceeds 2,5 % for certain coming months;

Whereas it follows from applying the detailed rules set out above that the components used to calculate the differential amounts should be as set out in the Annex hereto,

HAS ADOPTED THIS REGULATION:

Article 1

The components used to calculate the differential amounts provided for in Article 1 of Regulation (EEC) No 1569/72 shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 22 August 1983.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 19 August 1983.

For the Commission

Poul DALSAGER

Member of the Commission
