COMMISSION REGULATION (EEC) No 2990/83

of 25 October 1983

altering the export refunds on cereals and on wheat or rye flour, groats and meal

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals (1), as last amended by Regulation (EEC) No 1451/82 (2), and in particular the second sentence of the fourth subparagraph of Article 16 (2) thereof,

Whereas the export refunds on cereals and on wheat or rye flour, groats and meal were fixed by Regulation (EEC) No 2946/83 (3);

Whereas the situation on the world market or the specific requirements of certain markets may make it necessary to vary the amount of the refund, depending on the destination;

Whereas, although Egypt constitutes a traditional export market for Community flour, there are at present problems as regards the disposal of that product on the said market; whereas exports of the product in question should therefore be encouraged, by granting a special refund;

Whereas Commission Regulation (EEC) No 2989/83 (4) lays down the detailed implementing rules for that refund;

Whereas it follows from applying the detailed rules contained in Regulation (EEC) No 2946/83 to the information known to the Commission that the export refunds at present in force should be altered to the amounts set out in the Annex hereto,

HAS ADOPTED THIS REGULATION:
