COMMISSION REGULATION (EEC) No 3097/83

of 28 October 1983

on arrangements for imports into France of certain textile products originating in Romania

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3589/82 of 23 December 1982 on common rules for imports of certain textile products originating in third countries (1), and in particular Article 11 thereof,

Whereas Article 11 of Regulation (EEC) No 3589/82 lays down the conditions under which quantitative limits may be established; whereas imports into France of certain textile products (category 29) specified in the Annex hereto and originating in Romania have exceeded the level referred to in paragraph 3 of the said Article 11;

Whereas, in accordance with paragraph 5 of the said Article 11 of Regulation (EEC) No 3589/82, on 12 September 1983 Romania was notified of a request for consultations;

Whereas, pending the outcome of the requested consultations, imports into France were made subject to a provisional quantitative limit by Commission Regulation (EEC) No 2651/83 of 20 September 1983 (2);

Whereas, in the course of consultations held on 18 October 1983, it was agreed that imports of products falling within category 29 into France should be subject to quantitative limits for the years 1983 to 1986;

Whereas paragraph 13 of the said Article 11 provides for compliance with the quantitative limit to be ensured by means of a double-checking system in accordance with Annex VI to Regulation (EEC) No 3589/82;

Whereas the products in question exported from Romania into France between 1 January 1983 and the date of entry into force of this Regulation must be set off against the quantitative limits for 1983;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Textiles Committee,

HAS ADOPTED THIS REGULATION:

Article 1

Without prejudice to the provisions of Article 2, imports into France of the category of products originating in Romania and specified in the Annex hereto shall be subject to the quantitative limits set out in that Annex.

Article 2

1. Products as referred to in Article 1, shipped from Romania to the France before the date of entry into force of Regulation (EEC) No 2651/83 and not yet released for free circulation, shall be so released subject to the presentation of a bill of lading or other transport document proving that shipment actually took place before that date.

2. Imports of products shipped from Romania to France from the date of entry into force of Regulation (EEC) No 2651/83 shall remain subject to the double-checking system described in Annex VI to Regulation (EEC) No 3589/82.

3. In applying the provisions of paragraph 2, all quantities of products shipped from Romania to France from 1 January 1983 and released for free circulation shall be deducted from the quantitative limits for 1983. These provisional limits shall not, however, prevent the importation of products covered by it, but shipped from Romania to France before the entry into force of Regulation (EEC) No 2651/83.

Article 3

Regulation (EEC) No 2651/83 is hereby repealed.

Article 4
