COUNCIL REGULATION (EEC, EURATOM, ECSC) No 3681/83

of 19 December 1983

adjusting the weightings applied in Italy to the remuneration and pensions of officials and other servants of the European Communities

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing a single Council and a single Commission of the European Communities,

Having regard to the Protocol on the privileges and immunities of the European Communities, and in particular Article 13 thereof,

Having regard to the Staff Regulations of officials and the conditions of employment of other servants of the European Communities laid down by Council Regulation (EEC, Euratom, ECSC) No 259/68 [1], as last amended by Regulation (EEC, Euratom, ECSC) No 2074/83 [2], and in particular Articles 63, 64 and 82 of the Staff Regulations and the first paragraph of Article 20 and Article 64 of the conditions of employment,

Having regard to the proposal from the Commission,

Whereas a large number of officials and other servants employed at the Joint Research Centre in Ispra instituted proceedings to secure replacement of their salary statements for January 1979;

Whereas, by judgment dated 15 December 1982, the Court ruled as follows:

'The applicant's salary statement for January 1979 is annulled, in as far as it is restricted to giving effect to Council Regulation (Euratom, ECSC, EEC) No 3087/78 both as to the amount of the adjustment of the weighting and as to the retroactive effect of that adjustment, together with the decisions rejecting the applicant's complaints; Regulation (Euratom, ECSC, EEC) No 3087/78 is declared not applicable to the applicant in so far as it takes no account of the cost of living in Varese and limits the retroactive effect of the adjustment of the weighting to 1 January 1978.';

Whereas, to give effect to this judgment, the Regulations fixing weightings for Italy from 1 January 1976 should be adjusted and a specific weighting fixed for Varese from the same date;

Whereas, to this end, the method devised by the Statistical Office of the European Communities should be applied,

HAS ADOPTED THIS REGULATION:
