Whereas Article 2 (1) (b) of Commission Regulation (EEC) No 2049/82 [2] provided that the price of products differing in quality from that for which the activating price has been set is to be adjusted by a coefficient as indicated in the Annex to that Regulation ;

Whereas the qualities of soya cake being imported from the main producer countries outside the Community are somewhat different from the qualities used for determining the coefficients of equivalence valid at present for cake from these countries ; whereas the price relationship between the different qualities of soya cake has also changed ; whereas coefficients of equivalence should therefore be fixed that are appropriate to the new situation ;
