# COUNCIL REGULATION (EEC) No 728/83

## of 28 March 1983

## fixing the flat-rate production aid and the guide price for certain dried fodder products for the period 1 to 24 April 1983

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to Council Regulation (EEC) No 1117/78 of 22 May 1978 on the common organization of the market in dried fodder (1), as last amended by Regulation (EEC) No 1433/82 (2), and in particular Articles 3 (3), 4 (1) and (3) and 5 (2) thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament (3),

Whereas Article 3 of Regulation (EEC) No 1117/78 stipulates that the level of the fixed production aid for dried fodder must be such as to bring about an improvement in the Community's protein supplies;

Whereas, under Article 4 of the same Regulation, a guide price must be set for certain dried fodder products at a level that is fair to producers; whereas this price must be set for a standard quality representative of the average quality of dried fodder produced in the Community;

Whereas, under Article 5 (2) of Regulation (EEC) No 1117/78, the supplementary aid provided for in paragraph 1 of that Article must be equal to a percentage of the difference between the guide price and the average world market price for the products in question; whereas, in view of the characteristics of the market in question, the percentage should be set at 100 % for the products referred to in the first indent of Article 1 (b) and Article 1 (c) of Regulation (EEC) No 1117/78 and at 50 % for the products referred to in the second indent of Article 1 (b) of that Regulation;

Whereas Article 104 of the 1979 Act of Accession laid down the criteria for fixing the flate-rate production aid and guide price applicable in Greece;

Whereas it has proved necessary to reconsider all the problems relating to the fixing of prices for the 1983/84 marketing year, which will involve delay in the fixing of these prices; whereas it is therefore necessary to fix the production aid and the guide price for those dried fodder products, for which the marketing year expires on 31 March 1983, for the period 1 to 24 April 1983,

HAS ADOPTED THIS REGULATION:
