COUNCIL REGULATION (EEC) No 899/83

of 28 March 1983

amending Annex I to Regulation (EEC) No 288/82 as regards the description of products partially subject to national quantitative restrictions

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the instruments establishing common organization of agricultural markets and to the instruments concerning processed agricultural products adopted in pursuance of Article 235 of the Treaty, and in particular the provisions of those instruments which allow for derogation from the general principle that all quantitative restrictions or measures having equivalent effect may be replaced solely by the measures provided for in those same instruments,

Having regard to the proposal from the Commission,

Whereas the common commercial policy must be based on uniform principles; whereas the common rules for imports established by Regulation (EEC) No 288/82 (1) are an important aspect of that policy;

Whereas the liberalization of imports, that is to say, the absence of any quantitative restrictions, subject to exceptions and derogations provided for in Community rules, is the starting point for common rules in this field;

Whereas the quantitative restrictions existing in the individual Member States are listed in Annex I to Regulation (EEC) No 288/82;

Whereas it is desirable to increase the transparency of import arrangements by providing a more detailed description of products partially subject to national quantitative restrictions; whereas the aforementioned Annex should be amended along these lines and, at the same time, a revised version of it adopted,

HAS ADOPTED THIS REGULATION:

Article 1

Annex I to Regulation (EEC) No 288/82 shall be amended as follows:

1. At the beginning of the Annex, under the heading 'Practical scope of the restriction', the second line shall be replaced by the following:

   '— = partially restricted. For an exact description of the restriction, see the list at the end of this Annex which concerns the description of the products.'

2. The whole Annex is hereby replaced by the Annex attached to this Regulation.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 28 March 1983.

For the Council

The President

J. ERTL

(1) OJ No L 35, 9. 2. 1982, p. 1.

ANNEX

'ANNEX I

LIST OF PRODUCTS SUBJECT TO NATIONAL QUANTITATIVE RESTRICTION ON THEIR ENTRY INTO FREE CIRCULATION

Explanation of signs, letters or figures

Practical scope of the restriction:

\+ = completely restricted;

— = partially restricted. For an exact description of the restriction, see the list at the end of this Annex which concerns the description of the products.

Geographical scope:

Where there are no special indications the restriction applies to all the countries covered by the Regulation.

Where the restriction applies to a geographical zone or to one or more countries, a marginal note describes the country or countries or the zone or zones to which the restriction applies. These geographical zones are described at the end of the Annex on the basis of the existing provisions in the Member States.

*
* *

In any event, the application of these restrictions is subject to:

— any special rules laid down in the agreements concluded between the Community and certain third countries,

— the specific common rules referred to in Article 1 (1), first indent of this Regulation.

This list covers only national restrictions. At present there are no Community restrictions which come within the scope of this Regulation; any such measures which may be taken pursuant to Title V will be listed in an *ad hoc* publication.
