COUNCIL REGULATION (EEC) No 1099/84

of 31 March 1984

fixing for the 1984/85 marketing year the monthly increases in the representative market price, the intervention price and the threshold price for olive oil

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats (1), as last amended by Regulation (EEC) No 1097/84 (2), and in particular Article 10 thereof,

Having regard to the proposal from the Commission (3),

Whereas, under Article 10 of Regulation No 136/66/EEC, the representative market price, the intervention price and the threshold price for olive oil must be increased each month for a period of at least five months beginning on 1 January 1985; whereas these increases must be the same for all three prices;

Whereas, in fixing these increases the same for each of these months, account being taken of average storage costs and interest charges in the Community, the average storage costs should be established on the basis of the cost of storing oil in the appropriate premises and of the handling required for preserving the oil in good condition; whereas the interest charges can be calculated with reference to the average price of olive oil valid in production areas;

Whereas, to ensure orderly marketing of the production, in view of the prospects for production and consumption, it is sufficient to provide for seven increases for olive oil,
