COMMISSION REGULATION (EEC) No 136/84

of 19 January 1984

laying down to what extent applications for issue of export licences submitted during January 1984 for beef and veal products which may benefit from special import treatment in a third country may be accepted

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2931/79 of 20 December 1979 on the granting of assistance for export of agricultural products which may benefit from a special import treatment in a third country [1], and in particular Article 1 (2) thereof,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal [2], as last amended by the Act of Accession of Greece,

Whereas Commission Regulation (EEC) No 2377/80 of 4 September 1980 on special detailed rules for the application of the system of import and export licences in the beef and veal sector [3], as last amended by Regulation (EEC) No 3578/82 [4], lays down, in Articles 14 and 15, detailed rules for export licence applications for the products referred to in Article 1 of Regulation (EEC) No 2973/79 [5]; whereas Article 15 (6) (c) of Regulation (EEC) No 2377/80 requires the Commission, where the quantities in respect of which licences are applied for exceed the quantities available, to reduce the quantities requested by a fixed percentage;

Whereas Commission Regulation (EEC) No 3582/81 of 14 December 1981 [6] fixed the quantities of meat which might be exported on special terms for the first quarter of 1984;

Whereas the quantities for which licence applications have been lodged for the first quarter of 1984 exceed those available; whereas those applications should therefore be reduced proportionally,

HAS ADOPTED THIS REGULATION:

Article 1

The applications for export licences lodged for the beef and veal referred to in Regulation (EEC) No 2973/79 for the first quarter of 1984 shall be met, subject to a limit of 1,513 % of the quantity applied for in each case.

Article 2

This Regulation shall enter into force on 20 January 1984.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 19 January 1984.
