COMMISSION REGULATION (EEC) No 1634/84

of 8 June 1984

determining for the Member States the loss of income and the level of the premium payable per ewe for 1983/84

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1837/80 of 27 June 1980 on the common organization of the market in sheepmeat and goatmeat [1], as last amended by Regulation (EEC) No 871/84 [2], and in particular Article 5 (2) thereof,

Whereas the amendment of Regulation (EEC) No 1837/80 introduced by Regulation (EEC) No 871/84 applies from the beginning of the 1984 marketing year, namely 2 April ; whereas, however, the provisions of Regulation (EEC) No 1837/80, as amended by Regulation (EEC) No 1195/82 [3], remain applicable for the purpose of determining the premium payable to sheepmeat producers in respect of the 1983/84 marketing year ;

Whereas Article 5 (1) of Regulation (EEC) No 1837/80 provides for the granting of a premium to sheepmeat producers ; whereas the estimated level of that premium was calculated on the basis of a foreseeable loss of income, determined by Commission Regulation (EEC) No 47/84 [4] ;

Whereas, pursuant to Article 5 (2) and (5) of Regulation (EEC) No 1837/80, as amended by Regulation (EEC) No 1195/82, the estimate of the loss of income and of the amount of the premium payable per ewe are to be revised at the end of the marketing year ; whereas, moreover, paragraph 3 of the said Article provides for limitation of the loss of revenue calculated by subtracting, from the total amount referred to in paragraph 2 of the said Article, the total amount of the premium granted pursuant to Article 9 of the same Regulation ;

Whereas the amount of the premium for region 2 should be revised in the light of the loss of income recorded at the end of the marketing year ; whereas pursuant to Article 3 (1) of Council Regulation (EEC) No 2643/80 [5], however, 9 046 000 ECU, representing the difference between the total amount of advances paid in that region for 1982/83 and the revised loss of income recorded in the said region for that marketing year, should be deducted from the revised loss of income calculated as described above ;

Whereas, in regions other than 2, 3, 4, 5 and 6, no loss of income was recorded during the 1983/84 marketing year ; whereas pursuant to the second subparagraph of Article 5 (4) of Regulation (EEC) No 1837/80, as amended by Regulation (EEC) No 1195/82, however, the amount of the premium determined for region 2 may be paid in respect of those regions ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sheep and Goats,
