COUNCIL REGULATION (EEC) No 1737/84

of 18 June 1984

revising the maximum amount for the production levy on B sugar and the minimum price for B beet for the 1984/85 marketing year

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector [1], as last amended by Regulation (EEC) No 606/82 [2], and in particular Articles 5 (5) and 28 (5) thereof,

Having regard to the proposal from the Commission,

Whereas Article 28 (3) and (4) of Regulation (EEC) No 1785/81 provide that the losses resulting from the obligation to export surpluses of Community sugar are to be covered by production levies on the production of A and B sugar and of A and B isoglucose, within certain limits;

Whereas, when the total sum of the levies provided for does not fully cover the overall loss arising from these obligations, paragraph 5 of that Article requires that an adjustment be made in the maximum amount fixed for the B levy for the marketing year immediately following the marketing year in which the balance of uncovered losses was recorded;

Whereas the sum of the levies to be raised for the 1983/84 marketing year is less than the sum resulting from the multiplication of the exportable surplus by the average loss; whereas it is therefore necessary, according to the information available, to increase, for the 1984/85 marketing year, the maximum amount of the B levy to 37,5 % of the intervention price for white sugar and also to adjust accordingly the minimum price for B beet fixed for that marketing year by Regulation (EEC) No 1106/84 [3],

HAS ADOPTED THIS REGULATION:

Article 1

1. For the 1984/85 marketing year, the maximum amount referred to in the first indent of the second subparagraph of Article 28 (4) of Regulation (EEC) No 1785/81 shall be increased to 37,5 % of the intervention price for white sugar.

2. For the 1984/85 marketing year, the minimum price for B beet referred to in the second subparagraph of Article 5 (2) of Regulation (EEC) No 1785/81 shall be equal to 60,5 % of the basic price for beet.

Article 2

Article 3 (2) of Regulation (EEC) No 1106/84 is hereby replaced by the following:

'2. The minimum price for B beet shall be fixed at 24,74 ECU per tonne.'

Article 3

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Luxembourg, 18 June 1984.

For the Council

The President

M. ROCARD
