COUNCIL REGULATION (EEC) No 1835/84

of 28 June 1984

opening, allocating and providing for the administration of a Community tariff quota for rum, arrack and tafia, falling within subheading 22.09 C I of the Common Customs Tariff and originating in the overseas countries and territories associated with the European Economic Community (1984/85)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 136 thereof,

Having regard to Council Decision 80/1186/EEC of 16 December 1980 on the association of the overseas countries and territories with the European Economic Community (1), and in particular Annex IX thereto,

Having regard to the proposal from the Commission,

Whereas Annex IX to Decision 80/1186/EEC provides that rum, arrack and tafia shall be imported into the Community free of customs duties within the limits of a Community tariff quota ; whereas the annual size of the quota is to be fixed on the basis of a basic annual quantity, calculated in hectolitres of pure alcohol, to which a growth rate of 18 % is to be applied, equal to the amount of imports during the best of the past three years for which statistics are available ; whereas this rate may be modified in the light of certain criteria ; whereas the quota period lasts from 1 July until 30 June of the following year ; whereas, however, Decision 80/1186/EEC and Annex IX thereto will expire on 28 February 1985, which means that the period of validity of the tariff quota has to end on the same day ;

Whereas Community statistics for the years 1981 to 1983 show that the highest volume of imports into the Community of the products in question originating in the said countries and territories, namely 52 283 hectolitres of pure alcohol, occurred in 1981 ; whereas since the end of 1983 there has been no further production of the products in question in the overseas countries and territories ; whereas Community imports in 1983 therefore amounted to only 13 293 hectolitres ; whereas in these circumstances it seems advisable to open only a tariff quota large enough to allow, on the one hand, the import of the remainder of the stock and, on the other hand, to take into account the possibility of the installation of a new production unit ; whereas the volume of the Community tariff quota for the period 1 July 1984 to 28 February 1985 should therefore be fixed at 15 000 hectolitres of pure alcohol ;

Whereas, owing to the special character of the products in question and their sensitivity on Community markets, exceptional provision should be made for a method of use based on a single division among Member States ;

Whereas, taking into account actual trends on the markets for the products in question, the needs of the Member States and the economic prospects for the period under consideration, the percentage shares in the quota volume may be laid down approximately as follows :

Benelux	0,2
Denmark	0,4
Germany	98,3
Greece	0,1
France	0,2
Ireland	0,2
Italy	0,2
United Kingdom	0,4

Whereas the development of imports into the Community of these products should be recorded and imports accordingly monitored ;

Whereas, since the Kingdom of Belgium, the Kingdom of the Netherlands and the Grand Duchy of Luxembourg are united within and jointly represented by the Benelux Economic Union, any measure concerning the administration of the share allocated to that economic union may be carried out by any one of its members,

HAS ADOPTED THIS REGULATION :
