# COMMISSION REGULATION (EEC) No 2036/84

## of 16 July 1984

## amending for the third time Regulation (EEC) No 1136/79 laying down detailed rules on the application of special import arrangements for certain types of frozen beef intended for processing

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal (1), as last amended by the Act of Accession of Greece, and in particular Article 14 (4) (c) thereof,

Whereas Commission Regulation (EEC) No 1136/79 (2), as last amended by Regulation (EEC) No 410/84 (3), lays down detailed rules for the application of the special import arrangements for certain types of frozen beef intended for processing; whereas Article 2 (5) of the said Regulation defines the conditions which must be complied with by products referred to as 'preserves' in order to be eligible for the special import arrangements referred to in Article 14 (1) (a) of Regulation (EEC) No 805/68;

Whereas practical experience of the application of Article 2 (5) has revealed a need for a more precise definition of products referred to as 'preserves' within the meaning of that Regulation;

Whereas the Management Committee for Beef and Veal has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

*Article 1*

Article 2 (5) of Regulation (EEC) No 1136/79 is hereby replaced by the following:

'5. However, products which have been processed in a retail or catering establishment and offered for sale to the ultimate consumer shall not be considered "preserves".'

*Article 2*

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

It shall apply to preserves manufactured from products imported after 30 September 1984.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
