COMMISSION REGULATION (EEC) No 2084/84

of 19 July 1984

fixing the sluice-gate prices and import duties for ovalbumin and lactalbumin

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2783/75 of 29 October 1975 on the common system of trade for ovalbumin and lactalbumin [1], and in particular Article 2 (2) and the second subparagraph of Article 5 (5) thereof,

Having regard to Council Regulation (EEC) No 855/84 of 31 March 1984 on the calculation and the dismantlement of the monetary compensatory amounts applying to certain agricultural products [2], as last amended by Council Regulation (EEC) No 1004/84 [3], and in particular Article 1 thereof,

Whereas the slince-gate prices and import duties for the products specified in Article 1 of Regulation (EEC) No 2783/75 must be fixed quaterly in advance;

Whereas, since the sluice-gate prices and import duties for ovalbumin and lactalbumin were last fixed by Regulation (EEC) No 1059/84 [4] for the period ending 31 July 1984, they must be fixed anew for the period 1 August to 31 October 1984; whereas they must be fixed by reference to the sluice-gate price and levy applicable to eggs in shell during the same period;

Whereas, pursuant to Council Regulation (EEC) No 855/84, the central rate used under the common agricultural policy has been subjected to a corrective factor of 1,033651 with effect from the 1984/85 marketing year; whereas the corrected central rate has led to a change in the relationship between the Community price and the world market price; whereas account should therefore be taken of this fact by subjecting world market prices to a corrective factor of 0,967445 used for the calculation of levies and sluice-gate prices;

Whereas these have been fixed by Commission Regulation (EEC) No 2082/84 of 19 July 1984 fixing the sluice-gate prices and levies for eggs [5];

Whereas the methods for calculating sluice-gate prices and import duties are laid down in Regulation No 200/67/EEC [6]; whereas these methods should be used to calculate the sluice-gate prices and import duties for the coming quarter;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Poultrymeat and Eggs,

HAS ADOPTED THIS REGULATION:

Article 1

The import duties provided for in Article 2 of Regulation (EEC) No 2783/75 and the sluice-gate prices provided for in Article 5 thereof, in respect of the products specified in Article 1, shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 August 1984.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 19 July 1984.
