COMMISSION REGULATION (EEC) No 2440/84

of 24 August 1984

amending Regulation (EEC) No 1810/84 on the application of a special intervention measure for common wheat of bread-making quality at the beginning of the 1984/85 marketing year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals (1), as last amended by Regulation (EEC) No 1018/84 (2), and in particular the first subparagraph of Article 8 (4) thereof,

Whereas the weather conditions which prevailed during July and August 1984 in certain Member States in the north of the Community have entailed a major delay in the harvest of common wheat which was only able to actually begin at the end of August; whereas, taking account of the need for common wheat which is subject to an offer for intervention within the scope of Regulation (EEC) No 1810/84 (3) to be actually held in store by the bidder, the producers concerned in the north of the Community, who will only be able to benefit to a very slight extent from the special intervention measures provided for August 1984, are at a definite disadvantage; whereas the only way to alleviate this difficulty is to lay down that offers of wheat for intervention in August 1984 may be made until 10 September 1984;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

Regulation (EEC) No 1810/84 is hereby amended as follows:

1. In Article 1 (1), the following subparagraph is added:

   'However offers for August may be made until 10 September 1984.'

2. In Article 3 (1), '12 September' is replaced by '18 September'.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 24 August 1984.
