COMMISSION REGULATION (EEC) No 2449/84

of 24 August 1984

altering the monetary compensatory amounts applicable in the wine sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 974/71 of 12 May 1971 on certain measures of conjuctural policy to be taken in agriculture following the temporary widening of the margins of fluctuation for the currencies of certain Member States (1), as last amended by Regulation (EEC) No 855/84 (2), and in particular Article 6 thereof,

Having regard to Council Regulation (EEC) No 1223/83 of 20 May 1983 on the exchange rates to be applied in agriculture (3), as last amended by Regulation (EEC) No 855/84,

Having regard to Council Regulation (EEC) No 855/84 of 31 March 1984 on the calculation and the dismantlement of the monetary compensatory amounts applying to certain agricultural products, and in particular Article 7 thereof,

Whereas the monetary compensatory amounts introduced under Regulation (EEC) No 974/71 were fixed by Commission Regulation (EEC) No 900/84 (4), as last amended by Regulation (EEC) No 2435/84 (5);

Whereas the 1984/85 wine year begins on 1 September 1984; whereas prices in ECU for wine-sector products in the said marketing year have been fixed at a level slightly lower than that in the preceding wine year;

Whereas, under Article 2b of Regulation (EEC) No 974/71, the central rate used under the common agricultural policy has been made subject to a corrective factor of 1,033651 with effect from the 1984/85 marketing year; whereas this central rate, which has led to a new method of calculating monetary compensatory amounts, must be taken into account from 1 September 1984 in calculating the monetary compensatory amounts applicable to products of the wine sector; whereas, from 1 September 1984, account must also be taken of the new representative rates fixed by Regulation (EEC) No 1223/83 in this sector; whereas the result of applying the said provisions is to fix compensatory amounts in the wine sector only in respect of the Federal Republic of Germany;

Whereas Article 2 (3) (b) of Regulation (EEC) No 974/71 made it possible for the neutral margin for monetary compensatory amounts for the wine sector to be widened to a maximum of five points;

Whereas it is apparent from examination of the operation of the common organization of the market that in the present situation the neutral margin can continue to be set at five points without causing any disturbance to trade;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,

HAS ADOPTED THIS REGULATION:

Article 1

For the purpose of calculating the monetary compensatory amounts applicable in the wine sector, the real monetary gaps shall be reduced by a neutral margin of five points.

2. Annex II to Regulation (EEC) No 900/84 is hereby replaced by Annex II to this Regulation.
