COMMISSION REGULATION (EEC) No 2930/84

of 18 October 1984

fixing the sluice-gate prices and import duties for ovalbumin and lactalbumin

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2783/75 of 29 October 1975 on the common system of trade for ovalbumin and lactalbumin [1], and in particular Article 2 (2) and the second subparagraph of Article 5 (5) thereof,

Having regard to Council Regulation (EEC) No 855/84 of 31 March 1984 on the calculation and the dismantlement of the monetary compensatory amounts applying to certain agricultural products [2], as last amended by Regulation (EEC) No 1004/84 [3], and in particular Article 1 thereof,

Whereas the sluice-gate prices and import duties for the products specified in Article 1 of Regulation (EEC) No 2783/75 must be fixed quarterly in advance in accordance with the methods of calculation laid down in Commission Regulation (EEC) No 2084/84 [4];

Whereas, since sluice-gate prices and import duties for ovalbumin and lactalbumin were, by Regulation (EEC) No 2084/84, last fixed for the period 1 August to 31 October 1984, they must be fixed anew for the period 1 November 1984 to 31 January 1985; whereas such prices and duties should be calculated by reference to the sluice-gate price and levy applicable to eggs in shell during the same period;

Whereas, pursuant to Council Regulation (EEC) No 855/84, the central rate used under the common agricultural policy has been subjected to a corrective factor of 1,033651 with effect from the 1984/85 marketing year; whereas the corrected central rate has led to a change in the relationship between the Community price and the world market price; whereas account should therefore be taken of this fact by subjecting world market prices to a corrective factor of 0,967445 used for the calculation of levies and sluice-gate prices;

Whereas, these have been fixed by Commission Regulation (EEC) No 2932/84 [5];

Whereas the sluice-gate price and levy applicable to eggs in shell have been maintained unchanged by the aforementioned Regulation; whereas it is therefore necessary likewise to maintain unchanged the sluice-gate prices and import duties for ovalbumin and lactalbumin fixed by Regulation (EEC) No 2084/84;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Poultrymeat and Eggs,

HAS ADOPTED THIS REGULATION:

Article 1

The import duties provided for in Article 2 of Regulation (EEC) No 2783/75 in respect of the products specified in Article 1 of that Regulation and the sluice-gate prices provided for in Article 5 of that Regulation in respect of the like products shall, for the period 1 November 1984 to 31 January 1985, be as shown in the Annex to Regulation (EEC) No 2084/84.

Article 2

This Regulation shall enter into force on 1 November 1984.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 18 October 1984.

For the Commission

Poul DALSAGER

Member of the Commission
