CORRIGENDA

Corrigendum to Council Regulation (EEC) No 309/84 of 6 February 1984 opening, allocating and providing for the administration of a Community tariff quota for certain spiced and salted herring falling within subheading ex 16.04 C II of the Common Customs Tariff

(Official Journal of the European Communities No L 36 of 8 February 1984)

Page 2, Article 2:

the following paragraph is hereby added:

'3. If requirements arise in the Benelux, Greece, Ireland or Italy for products of this kind, these Member States shall draw an adequate share from the reserve, in so far as the amounts available in this reserve so permit.'
