COMMISSION REGULATION (EEC) No 3251/84

of 21 November 1984

re-establishing the levying of customs duties on activated carbon, falling within subheading 38.03 A, originating in the Philippines, to which the preferential tariff arrangements set out in Council Regulation (EEC) No 3569/83 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3569/83 of 16 December 1983 applying generalized tariff preferences for 1984 in respect of certain industrial products originating in developing countries (1), and in particular Article 13 thereof,

Whereas, pursuant to Article 1 of that Regulation, duties on the products listed in Annex B originating in each of the countries or territories listed in Annex C shall be totally suspended and the products as such shall, as a general rule, be subject to statistical surveillance every three months on the individual ceiling referred to in Article 12; whereas, as provided for in Article 12, where the increase of preferential imports of these products, originating in one or more beneficiary countries, causes, or threatens to cause, economic difficulties in the Community or in a region of the Community, the levying of customs duties may be re-established, once the Commission has had an appropriate exchange of information with the Member States; whereas for this purpose the individual ceiling to be considered shall be, as a general rule, 150 % of the highest maximum amount valid for 1980;

Whereas, in the case of activated carbon falling within subheading 38.03 A the individual ceiling is fixed at 322 500 ECU; whereas, on 19 November 1984, imports of these products into the Community, originating in the Philippines, reached the individual ceiling in question after being charged thereagainst; whereas the exchange of information organized by the Commission has demonstrated that continuance of the preference threatens to cause economic difficulties in a region of the Community;

Whereas, therefore, customs duties in respect of the products in question must be re-established against the Philippines,

HAS ADOPTED THIS REGULATION:

Article 1

As from 25 November 1984, the levying of customs duties, suspended pursuant to Council Regulation (EEC) No 3569/83, shall be re-established on imports into the Community of the following products originating in the Philippines:

CCT heading No	Description
38.03 A (NIMEXE code 38.03-10)	Activated carbon

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 21 November 1984.
