COMMISSION REGULATION (EEC) No 3395/84

of 3 December 1984

amending Regulation (EEC) No 900/84 as regards certain monetary compensatory amounts and coefficients to be applied in respect of milk products exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 974/71 of 12 May 1971 on certain measures of conjunctural policy to be taken in agriculture following the temporary widening of the margins of fluctuations for the currencies of certain Member States (1), as last amended by Regulation (EEC) No 855/84 (2), and in particular Article 6 thereof,

Whereas the monetary compensatory amounts introduced by Regulation (EEC) No 974/71 were fixed by Commission Regulation (EEC) No 900/84 (3), as last amended by Regulation (EEC) No 3057/84 (4);

Whereas in Annex I, Part 5, to Regulation (EEC) No 900/84 certain amounts and coefficients were fixed to allow for the sale of butter for use in the manufacture of certain products at prices lower than the buying-in price;

Whereas, by means of Regulation (EEC) No 2288/84 of 31 July 1984 amending Regulation (EEC) No 262/79 on the sale of butter at reduced prices for use in the manufacture of pastry products, ice-cream and other food products (5), the Commission extended the list of products for which butter sold at reduced prices may be used;

Whereas an increasing number of products are made using reduced-price butter;

Whereas Commission Regulation (EEC) No 2617/84 of 14 September 1984 amending Regulation (EEC) No 900/84 as regards certain monetary compensatory amounts and coefficients to be applied in respect of milk products (6) extends the field of application of the calculation of monetary compensatory amounts;

Whereas, in the light of the above, specific monetary compensatory amounts should henceforth be applied to all goods containing reduced-price butter; whereas, in the interests of clarity, the monetary compensatory amounts for the Member States concerned should all be published again;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

Part 8 of Annex I to Regulation (EEC) No 900/84 is hereby replaced by the Annex to this Regulation.

Article 2

The amounts concerned shall be as indicated in the Annex, subject to alteration in the light of the development of exchange rates as laid down in Article 2b (2) of Regulation (EEC) No 974/71.

Article 3

This Regulation shall enter into force on the third Monday following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 3 December 1984.

For the Commission

Poul DALSAGER

Member of the Commission

(1) In the case of goods not containing added whey or lactose, the monetary compensatory amount shall be calculated on the basis of the quantity of sugar and/or of skimmed-milk powder contained in such goods. However, where the monetary compensatory amount resulting from this calculation is greater than that fixed above, the latter shall be applied.

(2) Amounts applicable as appropriate on goods falling within subheadings 21.07 G VI to IX.

(4) At the time of the completion of customs formalities, the party concerned shall be required to state in the declaration provided for this purpose :

— the actual content by weight of skimmed-milk powder contained in the goods,

— the added whey content and/or lactose content and the lactose content of the added whey,

per 100 kg of finished product.

The compensatory amount is calculated for the actual quantity of skimmed-milk powder contained in the goods.

(5) Amount to be calculated on the basis of the actual quantities of any cereals or products resulting from their processing, sugar, milk or milk products, contained in the goods. Apply to these quantities the compensatory amount applied when such products are traded as such. If the goods contain reduced-price butter under the regulations given in note (4) to Part 5 of this Annex, the 'Formula B' coefficient given in the same note (4) must be applied to the compensatory amount for butter and to the supplementary amount given in note (4) to Part 5 of this Annex.

(7) For goods falling within this subheading, the monetary compensatory amount shall be applied only according to the weight of the macaroni, spaghetti and similar products.

(8) If the product contains added whey and/or lactose no compensatory amount shall be granted for the milk products incorporated ; in such cases the compensatory amount is to be calculated on the quantities of common wheat and sugar indicated in the Annex to Regulation (EEC) No 3034/80, less 10 %.

When completing :

— customs export formalities carried out in a Member State the currency of which has appreciated,

— customs import formalities carried out in a Member State the currency of which has depreciated,

— customs export formalities carried out in a Member State making use of the option provided in Article 2a of Regulation (EEC) No 974/71,

the applicant shall state on the declaration provided for this purpose whether or not whey and/or lactose have been added to the product.

However, if compensatory amounts have to be charged, the amounts fixed shall apply normally.

(9) The first and second parts of note (8) shall not apply to goods in immediate packings of a net capacity of 1 kg or less.

(10) Preparations for the manufacture of chocolate or chocolate milk crumb, containing more than 6,5 % but less than 11 % by weight of milkfats, more than 6,5 % but less than 15 % by weight of cocoa, and more than 50 % but less than 60 % by weight of sucrose (including invert sugar expressed as sucrose), presented in irregular pieces.

(11) Amount applicable to chocolate milk crumb as defined in note (10) above, if it contains reduced-price butter under the regulations given in note (4) to Part 5 of this Annex.

(12) Amount applicable to products other than those falling under notes (10), (11) above and (13), (15) below.

(13) Amount applicable to products other than those falling under note (15) below, if they contain reduced-price butter under the regulations given in note (4) to Part 5 of this Annex.

(15) Amount applicable to ice-cream and to preparations for making ice-cream and similar edible products called 'ice-mix', if they contain reduced-price butter under the regulations given in note (4) to Part 5 of this Annex.'
