COMMISSION REGULATION (EEC) No 3536/84

of 17 December 1984

amending Regulation (EEC) No 2042/75 as regards the period of validity of export licences for cereals

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals (1), as last amended by Regulation (EEC) No 1018/84 (2), and in particular Article 12 thereof,

Whereas, according to Annex II to Regulation (EEC) No 2042/75 (3), the period of validity of export licences is fixed for common wheat, meslin, rye, barley, oats, maize, buckwheat, millet, canary seed, grain sorghum, durum wheat and other cereals until the end of the fourth month following the month of issue of the licence and account should be taken of the special conditions of competition on the market for durum wheat, groats and meal ; whereas it seems appropriate, therefore, to amend the Annex by providing for a longer period of validity for export licences for cereals in question ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1
