COMMISSION REGULATION (EEC) No 3645/84

of 21 December 1984

on transitional measures concerning the application of certain monetary compensatory amounts

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Commission Regulation (EEC) No 2836/84 of 8 October 1984 on transitional measures concerning the application of certain monetary compensatory amounts in the trade of certain Member States (1), as amended by Regulation (EEC) No 3027/84 (2), and in particular Article 9 thereof,

Whereas Regulation (EEC) No 2836/84 laid down a framework for measures, the practical details of which remain to be determined, intended to prevent artificial traffic at the time of changes in the agri-monetary arrangements;

Whereas new representative rates fixed by Council Regulation (EEC) No 1223/83 of 20 May 1983 on the exchange rates to be applied in agriculture (3), as last amended by Regulation (EEC) No 855/84 (4), will be applied in the Federal Republic of Germany from 1 January 1985; whereas as a result the monetary compensatory amounts to be applied from that date will be significantly modified;

Whereas it is likely that on this occasion speculative traffic in certain products will occur, and possibly deflect trade;

Whereas in order to prevent such deflections it should be specified, pursuant to Annex C to Regulation (EEC) No 2836/84, that the monetary compensatory amounts for these products applicable before 1 January 1985 shall remain applicable for a limited period beyond that date; whereas the exact products and the length of the period applicable to each must be determined in the light of the specific conditions governing the marketing of these products;

Whereas the measures provided for in this Regulation are in accordance with the opinion of all the relevant management committees,

HAS ADOPTED THIS REGULATION:
