THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3569/83 of 16 December 1983 applying generalized tariff preferences for 1984 in respect of certain industrial products originating in developing countries (1), and in particular Article 13 thereof,

Whereas, in pursuance of Article 1 of that Regulation, duties on the products listed in Annex B originating in each of the countries or territories listed in Annex C shall be totally suspended and the products as such shall, as a general rule, be subject to statistical surveillance every three months on the reference base referred to in Article 12;

Whereas, as provided for in Article 12, where the increase of preferential imports of these products, originating in one or more beneficiary countries, causes, or threatens to cause, economic difficulties in the Community or in a region of the Community, the levying of customs duties may be re-established once the Commission has had an appropriate exchange of information with the Member States; whereas for this purpose the reference base to be considered shall be, as a general rule, 150 % of the highest maximum amount valid for 1980;

Whereas, in the case of ethanolamine, diethanolamine, triethanolamine, and their salts, falling within subheadings 29.23 A I and ex II; the individual ceiling was fixed at 57 600 ECU; whereas, on 8 March 1984, imports of these products into the Community, originating in Brazil, reached that ceiling after being charged thereagainst;
