COMMISSION REGULATION (EEC) No 714/84

of 16 March 1984

amending Regulation (EEC) No 91/84 and increasing to 900 000 tonnes the quantity of bread-making wheat held by the French intervention agency for which a standing invitation to tender for export has been opened

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals (1), as last amended by Regulation (EEC) No 1451/82 (2), and in particular Article 7 (5) thereof,

Having regard to Commission Regulation (EEC) No 1836/82 of 7 July 1982 laying down the procedure and conditions for the disposal of cereals held by the intervention agencies (3),

Whereas Commission Regulation (EEC) No 91/84 (4), as last amended by Regulation (EEC) No 637/84 (5), opened a standing invitation to tender for the export of 800 000 tonnes of bread-making wheat held by the French intervention agency; whereas, in a communication of 8 March 1984, France informed the Commission of the intention of its intervention agency to increase by 100 000 tonnes the quantity for which a standing invitation to tender for export has been opened; whereas the total quantity of bread-making wheat held by the French intervention agency for which a standing invitation to tender for export has been opened should be increased to 900 000 tonnes;

Whereas this increase in the quantity put out to tender makes it necessary to alter the list of exit places and of regions and quantities in store; whereas Annex I to Regulation (EEC) No 91/84 must therefore be amended;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:
