Whereas the quality standards for cucumbers were laid down in Annex I/2 to Council Regulation No 183/64/EEC (3), as last amended by Commission Regulation (EEC) No 845/76 (4); whereas class III cucumbers were defined in Annex VII to Council Regulation (EEC) No 1194/69 (5); whereas these standards do not permit the marketing of certain sizes for which demand exists;

Whereas the quality standards should take this fact into account; whereas sufficient experience should, however, be gained before the standards are definitively changed; whereas, therefore, temporary derogations from the quality standards for cucumbers should be introduced;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fruit and Vegetables,
