COMMISSION REGULATION (EEC) No 954/84

of 6 April 1984

correcting Regulation (EEC) No 900/84 with regard to certain monetary compensatory amounts and coefficients to be applied in the case of milk products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 974/71 of 12 May 1971 on certain measures of conjunctural policy to be taken in agriculture following the temporary widening of the margins of fluctuation for the currencies of certain Member States (1), as last amended by Regulation (EEC) No 855/84 (2), and in particular Article 6 thereof,

Whereas the monetary compensatory amounts introduced by Regulation (EEC) No 974/71 were fixed by Commission Regulation (EEC) No 900/84 (3);

Whereas in Part 5 of Annex I to Regulation (EEC) No 900/84 certain coefficients were set to take account of a price level for butter lower than the intervention price as a result of aid granted or sales at reduced prices for special uses; whereas an error was made in calculation of the coefficients given at the second indent of note (4) and these must be corrected; whereas the second reference to Regulation (EEC) No 1725/79 in the second paragraph of note (6), made erroneously, should in addition be withdrawn;

Whereas the monetary compensatory amounts for Denmark, Greece, Italy and the United Kingdom for subheadings 23.07 B I b) 3 and c) 3 should be inserted;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,
