COMMISSION REGULATION (EEC) No 975/84

of 10 April 1984

amending for the 15th time Regulation (EEC) No 2793/77 on detailed rules of application for granting special aid for skimmed milk for use as feed for animals other than young calves

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products (1), as last amended by Regulation (EEC) No 856/84 (2), and in particular Article 10 (3) thereof,

Whereas Commission Regulation (EEC) No 2793/77 (3), as last amended by Regulation (EEC) No 2838/83 (4), fixes the amount of the special aid for skimmed milk for use as feed for animals other than young calves and the maximum selling price applied by dairies; whereas, in view of changes in the market situation, this aid and the maximum selling price should be adapted;

Whereas Article 2a of Council Regulation (EEC) No 986/68 (5), as last amended by Regulation (EEC) No 1187/82 (6), states that the aid shall be fixed on the basis of the intervention price for skimmed-milk powder; whereas the conditions for granting aid should in consequence be adapted from the beginning of the milk year; whereas, on account of administrative constraints, and in particular the monthly basis on which accounting systems operate, the adaptation should come into effect from the beginning of the following month; whereas the opportunity should be taken on this occasion to adapt the system in the light of experience gained;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:
