# COUNCIL REGULATION (EEC) No 1313/85

## of 23 May 1985

## fixing, for the 1985 and 1986 marketing years, the basic and intervention prices for sheepmeat

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to Council Regulation (EEC) No 1837/80 of 27 June 1980 on the common organization of the market in sheepmeat and goatmeat [1], as last amended by Regulation (EEC) No 1312/85 [2], and in particular Articles 3 (1) and 7 (6) thereof,

Having regard to the proposal from the Commission [3],

Having regard to the opinion of the European Parliament [4],

Whereas the change in the start of the marketing year in accordance with Article 1 (1) of Regulation (EEC) No 1312/85 makes it advisable to fix prices simultaneously for the two marketing years beginning on 1 April 1985 and 6 January 1986;

Whereas, when the basic price for sheep carcases is fixed, account should be taken both of the objectives of the common agricultural policy and of the contribution the Community wishes to make to the harmonious development of world trade; whereas the main objectives of the common agricultural policy are to ensure a fair standard of living for the agricultural community, to guarantee the availability of supplies and to ensure that supplies reach consumers at reasonable prices;

Whereas the basic price must be fixed in accordance with the criteria laid down in Article 3 (2) of Regulation (EEC) No 1837/80; whereas it should be fixed, for the 1986 marketing year, at a higher level than that fixed for the preceding marketing year; whereas the intervention prices correspond to a percentage of the basic price;

Whereas the marketing year beginning in 1985 runs for only 32 weeks because of the change referred to above; whereas, to ensure that the seasonal adjustments to the basic price always reflect the usual seasonal changes in the Community market, the basic price fixed for the marketing year in question should be multiplied by a correcting factor in calculating any income losses to sheepmeat producers,

HAS ADOPTED THIS REGULATION:

*Article 1*

For the 1985 marketing year in the sheepmeat sector:

1. the basic price is hereby fixed at 428,04 ECU per 100 kilograms carcase weight;

2. the intervention price is hereby fixed at 363,83 ECU per 100 kilograms carcase weight;

3. the derived intervention price applicable in region 4 is hereby fixed at 344,22 ECU per 100 kilograms carcase weight.

*Article 2*

For the 1986 marketing year in the sheepmeat sector:

1. the basic price is hereby fixed at 432,32 ECU per 100 kilograms carcase weight;

2. the intervention price is hereby fixed at 367,47 ECU per 100 kilograms carcase weight;

3. the derived intervention price applicable in region 4 is hereby fixed at 347,66 ECU per 100 kilograms carcase weight.

*Article 3*

By way of derogation from Article 5 (2) of Regulation (EEC) No 1837/80, the basic price for the 1985 marketing year as referred to in Article 1 of this Regulation shall be multiplied by a factor of 0,967 in determining any income losses to sheepmeat producers.

*Article 4*

The prices referred to in Articles 1 and 2 shall be seasonally adjusted in accordance with the tables set out in Annexes I and II.

*Article 5*

This Regulation shall enter into force on 27 May 1985.
