COUNCIL REGULATION (EEC) No 1488/85
of 23 May 1985
fixing the amounts of aid granted for seeds for the 1986/87 and 1987/88 marketing years

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to Council Regulation (EEC) No 2358/71 of 26 October 1971 on the common organization of the market in seeds (1), as last amended by Regulation (EEC) No 1581/83 (2), and in particular Article 3 (3) thereof,

Having regard to the proposal from the Commission (3),

Having regard to the opinion of the European Parliament (4),

Whereas the present situation on the Community market for seeds listed in the Annex to Regulation (EEC) No 2358/71 and which will be marketed during the 1986/87 and 1987/88 marketing years and its foreseeable development do not ensure a fair income for producers; whereas part of the production costs should therefore be offset by the granting of aid;

Whereas Article 3 (2) of Regulation (EEC) No 2358/71 provides that the aid shall be fixed, taking into account, on the one hand, the need to ensure a balance between the volume of production required in the Community and the possible outlets for that production and, on the other hand, the prices of the products on external markets; whereas the application of these criteria results in the fixing of the amount of the aids applicable for the 1986/87 and 1987/88 marketing years at the levels set out in the Annex hereto,

HAS ADOPTED THIS REGULATION:

Article 1

For the 1986/87 and 1987/88 marketing years the amounts of the aid granted for seeds referred to in Article 3 of Regulation (EEC) No 2358/71 shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

It shall apply from 1 July 1986.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 23 May 1985.
