COMMISSION REGULATION (EEC) No 1847/85

of 2 July 1985

fixing the list of representative producer markets for certain fruit and vegetables

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market in fruit and vegetables (1), as last amended by Regulation (EEC) No 1332/84 (2), and in particular Article 17 (2) thereof,

Whereas, in accordance with Article 16 (1) of Regulation (EEC) No 1035/72, for each of the products listed in Annex II to the said Regulation and for each marketing year, a basic price and a buying-in price are fixed; whereas, in accordance with Article 17 of the same Regulation, the list of representative producer markets for these products must be drawn up; whereas, for the purposes of compiling this list, only those markets in the Member States in which, for a given product, a large proportion of national production is marketed throughout the marketing year, or during one of the periods in which the marketing year has been subdivided, should be taken into account;

Whereas the list of representative producer markets has been amended many times since it was fixed by Regulation (EEC) No 604/71 (3), as last amended by Regulation (EEC) No 1341/82 (4); whereas, as a result, details of these markets are at present scattered throughout several separate regulations drawn up at different times; whereas in these circumstances, on account of their dispersion, these texts do not possess the clarity which all regulations should exhibit; whereas the consolidation of these texts should consequently be undertaken and certain adjustments made to the list of representative markets;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Products Processed from Fruit and Vegetables,

HAS ADOPTED THIS REGULATION:

Article 1

For each of the products listed in Annex II to Regulation (EEC) No 1035/72, the markets in Member States given in the lists appearing in the Annexes to this Regulation shall be considered to be representative within the meaning of Article 17 of Regulation (EEC) No 1035/72.

Article 2

Regulation (EEC) No 604/71 is hereby repealed.

Article 3

This Regulation shall enter into force on the day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.
