of 2 July 1985

amending Regulation No 80/63/EEC on the quality control of fruit and vegetables imported from third countries, as regards the 1985/86 marketing year

Having regard to Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market in fruit and vegetables (1), as last amended by Regulation (EEC) No 1332/84 (2), and in particular Articles 8 (2) and 12 (3) thereof,

Whereas Regulation (EEC) No 2162/84 (3) amended the quality standards for dessert apples and pears provided for in the Annex to Commission Regulation (EEC) No 1641/71 (4) by laying down that the fruit must be sufficiently developed so that it can continue its maturing process and to attain the degree of maturity required in relation to the varietal characteristics ;

Whereas, in the case of apples, experience has shown that, in some cases, difficulties may be encountered in the task of verifying this state of development ; whereas, in order to facilitate the work of the control bodies, the methods to be used for judging this development should be specified ;

Whereas Commission Regulation No 80/63/EEC (5), as amended by Regulation (EEC) No 3401/84 (6), should therefore be amended accordingly,
