COUNCIL REGULATION (EEC) No 2001/85

of 16 July 1985

amending Regulation (EEC) No 1943/81 on a common measure to improve the processing and marketing conditions in the cattlefeed sector in Northern Ireland

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Articles 42 and 43 thereof,

Having regard to the proposal from the Commission (1),

Having regard to the opinion of the European Parliament (2),

Whereas the agricultural production sectors which depend on animal feed continue to be of vital importance for the agricultural economy of Northern Ireland;

Whereas Article 7 (1) and (2) of Regulation (EEC) No 1943/81 (3) specify an estimated time required for carrying out the common measure of four years beginning on 1 January 1981, and an estimated cost of this measure of six million ECU;

Whereas the serious problems of the agricultural production sectors in Northern Ireland depending on animal feed have been solved only in part by the said common measure; whereas an appropriate extension of the time envisaged for the said measure is necessary and the estimated cost requires a corresponding revision;

Whereas Article 6 (2) of Regulation (EEC) No 1943/81 provides that projects which receive aid under Council Regulation (EEC) No 355/77 of 15 February 1977 on common measures to improve the conditions under which agricultural products are processed and marketed (4), as last amended by Regulation (EEC) No 1932/84 (5), or which may receive Community aid under other common measures shall not fall within the scope of Regulation (EEC) No 1943/81; whereas, during the period of extension of the said Regulation, projects which may receive aid under Regulation (EEC) No 355/77 should also be excluded from aid within the scope of Regulation (EEC) No 1943/81,

HAS ADOPTED THIS REGULATION:
