COMMISSION REGULATION (EEC) No 2128/85
of 29 July 1985
fixing the import levies on compound feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) (No 2727/75 of 29 October 1975 on the common organization of the market in cereals [1], as last amended by Regulation (EEC) No 1018/84 [2], and in particular Article 14 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas the rules to be applied in calculating the variable component of the import levy on compound feedingstuffs are laid down in Article 14 (1) (A) of Regulation (EEC) No 2727/75; whereas Article 4 of Council Regulation (EEC) No 2743/75 of 29 October 1975 on the system to be applied to cereal-based compound feedingstuffs [3], as amended by Regulation (EEC) No 2560/77 [4], provides that the incidence on the prime costs of these feedingstuffs of the levies applicable to their basic products should be calculated on the basis of the average of the levies applicable during the first 25 days of the month preceding that month of importation to the quantities of basic products considered to have been used in the manufacture of such compound feedingstuffs, this average being adjusted on the basis of the threshold price for the basic products in question ruling during the month of importation;

Whereas the 1985/86 marketing year for cereals other than durum wheat begins on 1 August 1985; whereas the Council has not, to date, adopted prices for these products for the 1985/86 marketing year; whereas the Commission, in compliance with the tasks entrusted to it by the Treaty, is obliged to adopt the precautionary measures essential to ensure continuity of operation of the common agricultural policy in the cereals sector;

Whereas, in order to ensure continuity of operation of the import arrangements for cereals, the prices set in Article 2 of Regulation (EEC) No 2124/85 [5], should be used for calculation of the levies on processed products; whereas these prices will be adjusted, beginning on 1 September 1985, by amounts equal to the monthly increases fixed by Regulation (EEC) No 1020/84;

Whereas the levy thus determined, increased by the fixed component, is valid for one month; whereas the amount of the fixed component of the levy is laid down in Article 6 of Regulation (EEC) No 2743/75;

Whereas, in order that account may be taken of the interests of the African, Caribbean and Pacific States and of the overseas countries and territories, the levy relating to them in respect of certain products processed from cereals must be reduced by the amount of the fixed component and, in respect of some of these products, by part of the variable component; whereas this reduction must be made in accordance with Article 12 of Council Regulation (EEC) No 486/85 of 26 February 1985 on the arrangements applicable to agricultural products and certain goods resulting from the processing of agricultural products originating in the African, Caribbean and Pacific States or in the 'overseas countries and territories' [6];

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the coefficient provided for in Article 2b (2) of Council Regulation (EEC) No 974/71 [7], as last amended by Regulation (EEC) No 855/84 [8],

— for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient;

Whereas, in accordance with Article 18 (1) of Regulation (EEC) No 2727/75, the nomenclature provided for in this Regulation is incorporated in the Common Customs Tariff,

HAS ADOPTED THIS REGULATION :
