COMMISSION REGULATION (EEC) No 2473/85

of 29 August 1985

fixing the free-at-frontier reference prices applicable to wine imports from 1 September 1985

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 337/79 of 5 February 1979 on the common organization of the market in wine (1), as last amended by Regulation (EEC) No 798/85 (2), and in particular Article 18 (8) thereof,

Whereas Article 18 of Regulation (EEC) No 337/79 lays down special rules relating to the importation of certain products in the wine-growing sector; whereas Commission Regulation (EEC) No 1393/76 (3), as last amended by Regulation (EEC) No 2135/84 (4), lays down the relevant implementing rules; whereas, under Article 18 (8) of Regulation (EEC) No 337/79, the Commission is required to fix the free-at-frontier reference prices;

Whereas the list of free-at-frontier reference prices should be established taking particular account of trade requirements and with a view to administrative simplicity;

Whereas, pursuant to Article 64 (2) (b) of the Act of Accession of Greece, the Common Customs Tariff duty is to be applied in full for products in the wine sector for which a reference price is fixed; whereas it should therefore be stated that the free-at-frontier reference prices applicable to Greece are those given in the 'Other third countries' column, except for imports of products originating in third countries with which a Protocol adapting the preferential tariff system has been concluded and is applicable;

Whereas Article 18 (1) of Regulation (EEC) No 337/79 provides that the free-at-frontier reference price is to be equal to the reference price less customs duties actually levied; whereas the amounts or coefficients under the system of monetary compensatory amounts must not be taken into account in assessing the customs duty to be deducted from the reference price,

HAS ADOPTED THIS REGULATION:

Article 1

The free-at-frontier reference prices referred to in Article 18 (8) of Regulation (EEC) No 337/79 shall be as indicated in Annexes I and II hereto.

Article 2

This Regulation shall enter into force on 1 September 1985.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 29 August 1985.

For the Commission

Vice-President

(4) OJ No L 196, 26. 7. 1984, p. 21.

NOTE TO ANNEXES I AND II FREE-AT-FRONTIER REFERENCE PRICES

1. In the case of imported wines not enjoying preferential tariff concessions, the amounts shown in the 'Other third countries' column are applicable.

2. For imports into Greece of products originating:

   — in Algeria, Morocco, Tunisia, Spain, Portugal, Cyprus or Yugoslavia, the applicable free-at-frontier reference prices are those given in the appropriate column,

   — in other third countries, the applicable free-at-frontier reference prices are those given in the 'Other third countries' column.

3. The free-at-frontier reference prices given below for red and white wines (except Riesling and Sylvaner wines) should be increased by 1 ECU for each % vol of actual alcoholic strength per hectolitre in the case of wines imported into the French overseas department of Réunion. This increase shall be based on 9 % vol for wines of an actual alcoholic strength of less than 9 % vol and on the mean strength in each sub-division for other wines (e.g. 9,25 % vol in the case of wines with an actual alcoholic strength exceeding 9 % vol but not exceeding 9,5 % vol).
